MANHATTAN

MAN-700818-UM-0707-02

Thank you for purchasing the MANHATTAN® Hi-Speed USB 2.0, SATA 2.5" External Enclosure, Model 700818.

This 2.5" enclosure is fully SATA-capable and is equipped with SATA L-type internal power and data ports and an external Hi-Speed USB 2.0 mini-B connection. Install an idle, unused drive to quickly and easily transfer, share and archive data or expand storage capacities for desktop and notebook computers.

Additional features:

- Supports SATA data transfer rates of up to 480 Mbps
- Lightweight, compact design and USB-powered for increased portability
- Windows and Macintosh compatible, Plug and Play, hot swappable
- Lifetime Warranty

Package contents:

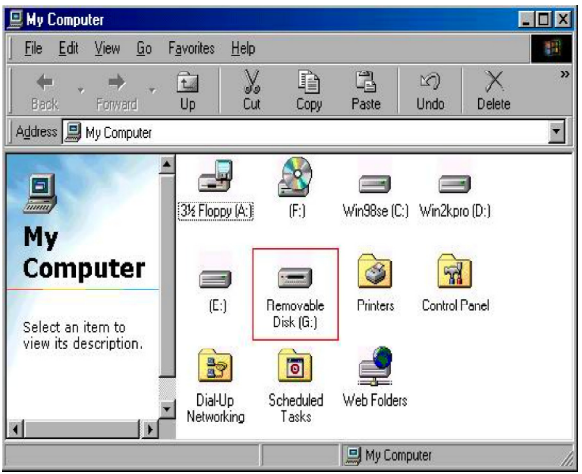
- External Enclosure
- USB A-type male/USB A-type male to mini-B male cable, 80 cm (31 in.)
- User manual and driver CD

System requirements:

- Available USB type-A port
- Windows 98SE/Me/2000/XP/Vista or Mac OS 10.2.3 and above

HARDWARE INSTALLATION

1. Remove the two retaining screws on the rear panel, then remove the rear panel.
2. Connect the HDD to the rear panel. *IMPORTANT:* For proper power connections, plug the cable(s) into your computer first, then into the drive enclosure.
3. Secure the hard disk drive in position, then slide it into the external enclosure.
4. Replace the two rear-panel screws



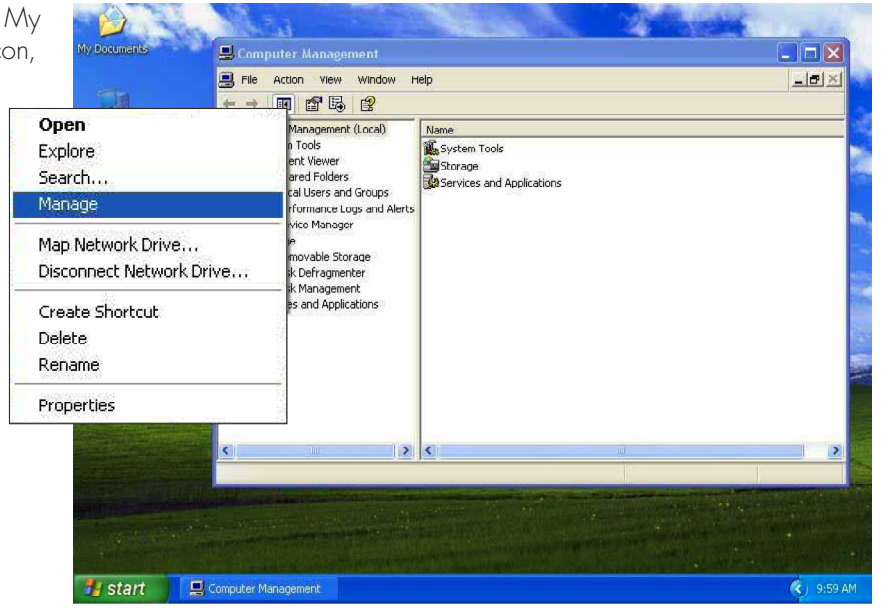
SOFTWARE INSTALLATION

Windows 98SE

A new Removable Disk icon will appear in the My Computer window for formatting the hard disk drive.

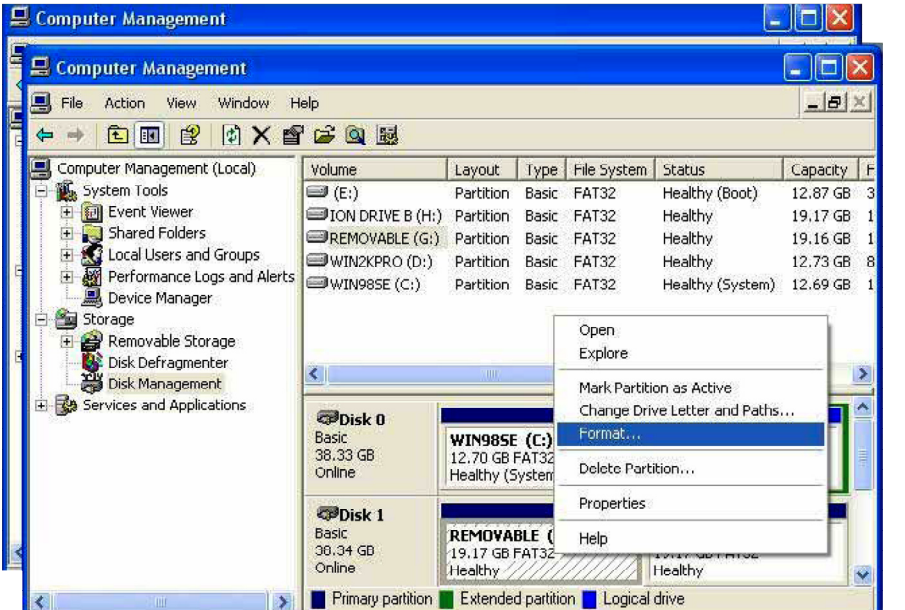
Windows 2000/XP

1. Click on the My Computer icon, then click "Manage" to initialize the hard disk drive.

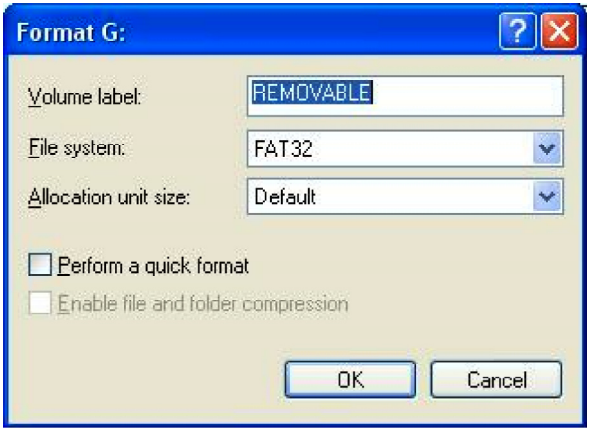


MANHATTAN

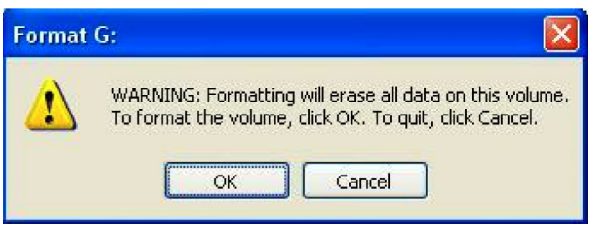
2. Click "Disk Management," then click "Removable Disk," then click "Format."



3. Confirm that "Removable" and "FAT32" are entered/selected in the "Volume label" and "File system" fields, respectively. Click "OK."



4. When the warning prompt appears, click "OK."



Format G:
WARNING: Formatting will erase all data on this volume.
To format the volume, click OK. To quit, click Cancel.
OK
Cancel

MANHATTAN

5. Click "My Computer" and confirm that the new "Removable" icon appears. The External Enclosure with hard disk drive is now ready for use.
